Legal Remembrancer & Secretary to Government,
Law Department, B a n g a l o r e

Sir,

Subject -Town Improvement and water supply grants for 1944-45

@@@@@

I have the honour to forward herewith 2 statements showing the grants required by the several Municipalities in this district during 1944-45 and to state as follows -

I Town Improvement grants -Mandya Municipality:- The Municipal Council propose to take up the I stage of drainage work at an estimated cost of Rs.20,000/- and pray for a grant of Rs 10,000/- The comprehensive scheme costing Rs 1,00,545/- is proposed to be taken up in 5 stages as the necessary funds cannot be provided in one lump A separate recommendation is also made in this connection for sanctioning the comprehensive scheme As the Municipal Council is prepared to meet moiety of the cost of the I stage, Government may be pleased to sanction the grant prayed for.

As regards slum clearance Government have already in their order No L.2784-88/M1 21-43-24, dated 27-9-1944, sanctioned moiety of the cost viz. Rs.3100/- A separate recommendation will be submitted to Government after receipt of the report from the President re the acquisition of house properties in petta street and formation of a circle.

The Municipal Council is carrying on the antimalaria work during the current year also As Mysore Sugar Company is not contributing any amount towards the experditure and as only a sum of Rs 1000/- is being paid as grant from K R.S Funds, I recommend that a sum of Rs. 1,000/- may kindly be granted out of the Town Improvement Grants

Seringapatam Municipality -As usual a sum of Rs.2,000/- towards the tidying up of the fort area and Rs.500/- towards the maintenance of the gang for removal of rank vegetation may kindly be sanctioned

Malavalli Municipality -The Municipal Council have proposed to take up the slum clearance in Bestarageri during 1944-45 at an estimated cost of Rs.27,125/- They pray that a moiety of the cost may kindly be sanctioned As regards their quota, the Municipal Council propose to take a loan of Rs 13,657/- to meet the balance of the estimated cost

In this connection, I wish to state that this work is pending from a long time and in the interests of the health of the people of Malavalli Town, it is quiet necessary to have the slum cleared As the Municipal Council is prepared to meet moiety of the cost, I recommend that Government may be pleased to sanction the grant prayed for

Nagamangala Municipality - The Municipal Council intend taking up the second drainage scheme at an estimated cost of Rs 5000/- and have prayed for an out right grant of Rs.5,000/- As the Municipal Council with its meagre income cannot afford to set apart funds for improvement works and as this is an urgent work, I recommend that an out right grant of Rs 5000/- may kindly be sanctioned

It is also proposed to acquire some land and form a Colony for Adikarnatakas of the place The grant of Rs 1000/- prayed

P T O

prayed for may kindly be granted.

Melkote Municipality -The Municipal Council propose to take up road repairs, drainage and other improvement works at an estimated cost of Rs.3000/- The income of the Municipality is hardly sufficient to meet the expenditure and as such the Municipal Council cannot set apart funds out of its normal income for improvement works. As Melkote is a place of Pilgrimage, it is but necessary to keep the town clear and tidy The improvements suggested are necessary As the financial position of the Municipality does not admit and of any funds being set apart for improvement works, I recommend that an outright grant of Rs.3000/- may kindly be sanctioned.

Frenchrocks--The Municipal Council have prayed for a grant of Rs.10 00/-towards slum clearance and formation of childrens' park -- at a total cost of Rs.2,000/- As they have agreed to meet moiety of the cost, a sum of Rs.1000/- may kindly be sanctioned.

Belakavadi Municipality -It is proposed to construct Local Furd Dispensary building at an estimated costof Rs.9,200/- As regards the funds, the President reports that a local sowcar Mr Pattabhirama Setty has come forward to donate a sum of Rs 4,000/- towards the building and that local conrractor Mr V S Gopala Iyengar has promised to contruct the building without profit.

The District Medical Officer, Mandya has opined that it is very necessary to have a Local Fund Dispensary at Belakavadi as the Town has a population of nearly 5000 and that there is medical help round about 10 miles, anywhere A recommendation has also been made to the Senor Surgeon in Mysore, in the matter As the Municipal Council has pleaded their inability to provide funds forthis purpose, I recommend that the Government may kindly be pleased to sanction a sum of Rs.5200/- during the current year.

Krishnarajapet Municipality -The Municipal Council have prayed for a grant of Rs.1900/- for construction of cattle pound, formation of Shandy Maidar and formation of a circle near the Travellers' Bungalow. As a moiety of the cost would be met by the Municipal Council, the grant prayed for may kindly be sarctioned

Maddur Municipality:- The Director of Public Health has sent an estimate for Rs.18,700/- for drainage scheme at Shivapur and has stated that the entire scheme has to be taken up in one stage I recommend that moiety of the estimated dost viz: Rs.9350/- may kindly be sanctioned.

As regards the water supply grants, I recommend that the grants prayed for by Mandya, Krishnarajapet and Nagamangala Municipalities may kindly be sarctioned.

With regard to the grant of Rs.515/- to Frenchrocks Municipality, I wish to state that the amount has already been sanctioned by the Government vide G O.No.L.2080/Ml.59-44-2 dated 2-9-1944.

The President, Seringapatam Municipality has reported that as the financial position of the Municipality is very unfavourable It is not possible to pay the water maintenarce charges and has requested that a grant of Rs.5000/- may kindly be sanctioned It is true that the financial position of the Municipality is not satisfactory and the Municipal Council is finding it hard to provide funds for improvemert works and water maintenance charges. I recommend that an out right grant of Rs 5,000/- may be kindly be sanctioned during the current year.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
MANDYA DISTRICT.

BLV/-2.
